Our mission

At Oxford Explorers, we believe in nurturing curious, confident, and compassionate young minds. Our balanced approach blends academic excellence with purposeful outdoor exploration and immersive experiences.

Our values

Joy You Can See

We create an environment where children engage, explore, and express themselves joyfully.

Growing with Purpose

We focus on intentional development, ensuring each child builds essential skills for their future.

Built around Families

We partner with families, providing support and communication to foster a strong community.

What learning means here

At Oxford Explorers, academic readiness and a joyful childhood belong together.

Outdoor Play

Daily sunshine, fresh air and room to run. Builds stronger bodies, sharper focus and calmer minds.

Creative Learning

Role play, art, music and movement. Children think creatively, work together and find their voice.

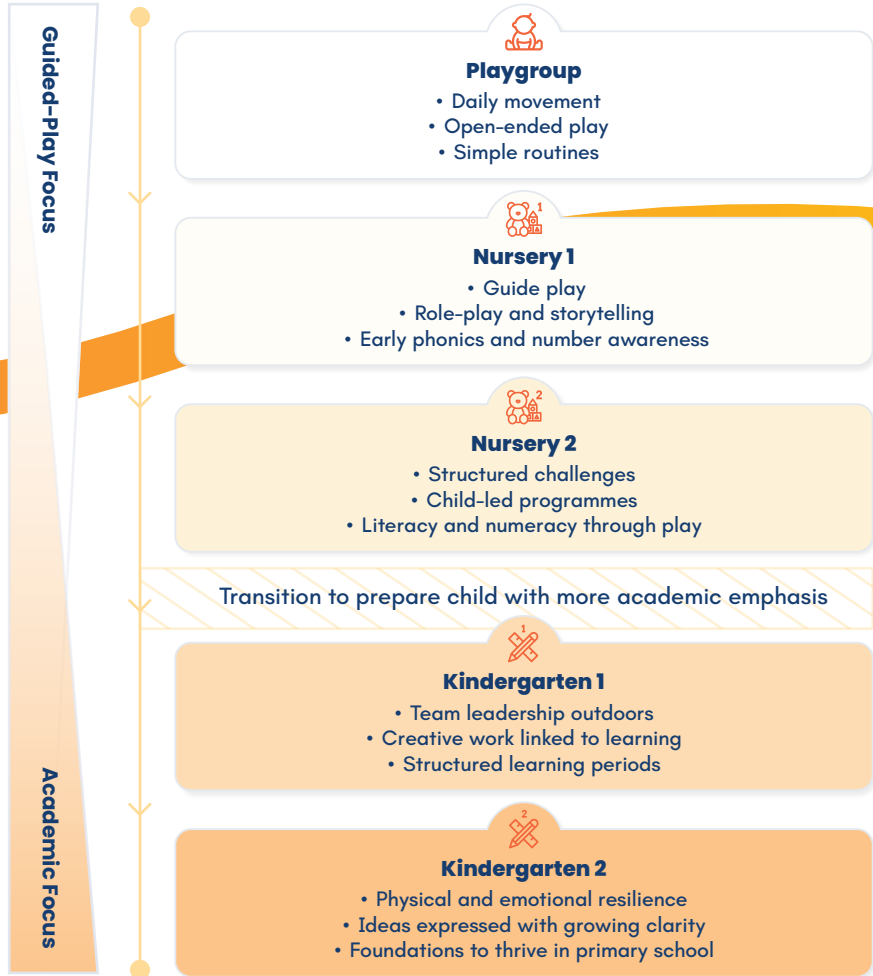

Academic Readiness

Strong foundations in literacy and numeracy. Progressive learning that prepares children for primary school. (Including a comprehensive Chinese Curriculum)

Our programs

From Playgroup to Kindergarten 2, here is how the balance between play and structure evolves as your child grows.

Join us at Oxford Explorers! Schedule a visit today to see how we can support your child's development.

School Visit Checklist

- Welcoming Atmosphere** Observe if the environment feels warm and inviting.
- Engaged Staff** Notice how teachers interact with children and if they encourage exploration.
- Clean and Safe Facilities** Check that the premises are well-maintained and child-friendly.
- Outdoor Spaces** Look for safe and accessible outdoor areas for play and learning.
- Curriculum Focus** Ask about the balance between academic learning and play.
- Parent Communication** Inquire how the school keeps parents informed and involved.
- Children's Happiness** Observe the overall mood and engagement of the children in the classroom.
- Diversity & Inclusion** Ensure that the school promotes an inclusive environment for all children.
